No Action Due Protest On Election

Swisher County attorney George Jennings has said he will take no action on a petition presented him two weeks ago by a dozen Happy residents contesting the April 7 Happy school board election.

Jennings said a proper petition was not presented and the petition given him did not comply with the law.

Apparently the original petitioners will take no further action to contest the election, according to one signee.

Jennings, who was reluctant to discuss the petition over the phone with The News, told The Tulia Herald last week that he studied the petition as submitted and rejected it on grounds that it was not sufficient under the law in that it was not sworn to and did not set forth specific violations of the election code as required by law.

The original petition, signed by 12 Happy residents, alleged that three sections of Texas election laws were violated in the election. Petitioners alleged that the proper number of election officials were not appointed, that election results were not canvassed properly and that an election clerk in the election is a relative to one of the men who was seeking re-election.

Jennings said, in fact, the contest petition would almost have to allege election fraud before any action could be taken by his office.

He said he informed the Happy petitioners of his rejection of their petition and outlined the necessary paper work involved should they still desire to protest the election.

One petitioner, however, charged that Jennings had initially indicated the petition as presented would be acceptable.

The petitioner said the other petitioners had no desire to allege fraud in the election. They simply wanted to point out errors in the election process.

The petitioner said no other ac-

They grow in the back yard of Mrs. C.C. Callarman, 2411 11th Ave., who took "Queen of Show" and many other high awards. She, left, and Mrs. Joe Frank, who won honors in the artistic division, are seen in the background.

Decision Expected Soon On President

A decision on who will be next president of West Texas State University has not yet been reached, according to two regents contacted this week.

Board of Regents Vice Chairman B. Raymond Evans and member Kent Hance said no decision has yet been reached.

Both said it is possible a decision will be made when the regents meet in regular session May 26.

"A decision hasn't been made yet," Hance said, "and it won't be before this weekend. If it's going to be made maybe it will be next week."

Evans said he is sure the issue will be discussed at the regents meeting May 26 and he said it is possible a decision will be reached at that time.

"I don't expect anything until then," he said.

Regents met two weeks ago in executive session in Amarillo to continue discussions about who the next university president will be.

Their meeting followed by a day the final visit of four candidates to campus in Canyon. No official statement of the results of that meeting was issued.

The four candidates were Dr. Lloyd Watkins, head of an association of private Iowa colleges; Dr. Leon Pope, associate dean of agriculture at Texas A&M; Dr. Bill Miller of North Texas State University and Dr. T. Paige Carruth, vice president of student affairs at WTSU.

All four went through day-long sessions with students, faculty and administrators two weeks ago, and each has been interviewed by regents.

Current President, Dr. James P. Cornette, is due to retire in 1974.

School Board Will Meet Today With Architects On Building

Canyon School board members are to meet with at least two architectural firms today to discuss construction of a vocational-technical school on the Canyon High School campus.

"We're hurting for time," Supt. Jerry Jacobs told board members Tuesday night as he stressed that plans for the new building must be completed by late August.

He was instructed by board members to contact two architectural firms in Amarillo and establish meetings today so board members can discuss fees and other problems with the architects.

Board members decided last week to construct the school here through the use of state-federal and local funds totalling about $500,000.

The local school district will have to pay $235,000 as its part of the building costs.

Jacobs said he has learned that the money provided by the state and local sources can be used not just for construction of a new building but also for renovation of old buildings.

Board members have discussed the possibility of erecting a steel and brick building to house the high school vocational classes.

Jacobs announced Tuesday night that the Canyon board will meet with the Amarillo school board at 7:30 p.m. June 5 at the Amarillo school administration building to discuss the possible transfer of several sections of land now in the Canyon district into the Amarillo district.

Canyon board members have expressed reluctance at the prospect of transferring the land.

In other business, the school board voted to advertise for bids for two 54-passenger Dodge buses.

The 1963 buses are for sale.

They also approved the resignations of two high school football coaches—Roy Winters and Earl Clardy.

Jacobs said Winters has accepted the job as head coach at Morton and Clardy will go there with him as his assistant.

Both Winters and Clardy are products of West Texas State University, having played under the late coach Joe Kerbel.

School board members will tour the campuses of Canyon's four schools throughout the day today.

Rain Helps Co. Wheat But Could Aid Disease

With more than a half inch of rain falling Monday in Randall County, area farmers are well supplied with moisture for a burgeoning wheat crop, but experts warn that disease could be a decisive factor in yields this summer.

County Agent John Brazzil said Monday's rains hit the county wheat crop at a critical time in maturity—a time when maximum moisture is needed.

Coupled with a wet spring and winter, the Monday rain has given additional impetus to reports that this year's crop will be the best in years.

"This shower will help replenish the moisture the wheat's been using," Brazzil said.

The wheat is just now entering the heading stage and is actually running behind schedule due to the moist conditions. Brazzil said wheat may not be cut this year until late June, about two weeks after normal cutting begins.

"We've still optimistic of a good crop," he said.

But, another agricultural extension service employee has warned that the signs are also right for heavily damaging outbreaks of wheat streak mosaic virus, wheat rust and powdery mildew in Panhandle wheat fields.

Dr. Robert Berry of Lubbock, following a tour of wheat fields in the area, said he has observed wheat streak mosaic virus in many fields as well as some traces of rust and powdery mildew.

"It is too early to tell what the losses in yield might be from the mosaic virus," he said. "But the plants are at the tender stage and the virus exists in many fields."

While the recent rains may be beneficial in one way, they can also cause problems with wheat rust. Rain and moderate temperature could bring more damage by rust, which could cause low test weight and lower yields if the moisture remains favorable, he said.

"With the trace of rust already prevalent in wheat fields," he added, "we could expect more of it within two weeks following heavy humidity and rainfall."

Another fungus disease, powdery mildew, was observed in the Panhandle wheat fields for the first time in ten years, Berry

Happy Jaycees Win Honors In State Meet

Happy's Jaycees and Jaycee-ettes returned this week from a state convention in Austin where they were proclaimed the best in just about everything.

The Happy Jaycees and Jaycee-ettes were named the outstanding chapters in the state in their population division and the two presidents of the organizations were named the outstanding chapter presidents in the state in their divisions.

Honored as outstanding were Lloyd Rahlfs, who has led the 40-member Jaycee chapter in Happy until March, and Sara Tirey.

The Jaycees also had the outstanding treasurer in the state and the outstanding secretary in the state. Vincent Venhaus was treasurer and Ronnie Johnson was secretary.

The Jaycee-ettes won first place in all their project categories for 1972 while the Jaycees won a first in external programming and 12 firsts in single project areas. They won first in their holiday rest stop and second in internal programming.

Among projects undertaken by the Jaycees during 1972 was the old-timers barbecue and Happy Days Celebration.

The Happy chapter was named a Blue Chip chapter in the state.

P-TA Group Organizes For Rex Reeves Parents

A Parent-Teacher Association group for Rex Reeves Elementary School was organized Monday night when about 40 interested persons met at the school.

Mrs. Ann Carlisle, who had spearheaded the drive to form a P-TA for the school, was elected president.

Other officers elected were Mrs. Sharon Thompson, 1st vice president; Mrs. Joy Davis, 2nd vice president; Mrs. Marie Kershen, 3rd vice president; Mrs. Linda Ray, treasurer; Mrs. Billie Ruth Clark, recording secretary; Mrs. Susan Oltjen, corresponding secretary; Mrs. Margaret Rawlings, parliamentarian; Mrs. Mary Slaton, historian; and Mrs. Barbara Tucek, reporter and publicity chairman.

Mrs. Thompson will chair the program committee, Mrs. Davis the membership committee, and Mrs. Kershen the budget and finance committee.

In addition to the parents, principal Bob Parks and assistant principal Bryce Slack of Rex Reeves were also in attendance.

Parks talked to the group about the various aspects of P-TA and how it might help the school.

Entertainment was provided by the Rex Reeves All Girl Choir.

Following the motion to organize, a question and answer session was held. The vote followed and the by-laws were read to the group.

Mrs. Marilyn Bergen of Amarillo, vice president of District 8, and Mrs. Claude Currie, also of Amarillo and president of District 8, assisted in the organization procedures.

According to Mrs. Carlisle, she believes the new organization will function well and provide a needed service to the school and

School Board Hesitant, City Ready On Exemption

Canyon school board members were hesitant Tuesday night in granting $3000 tax exemptions to residents 65 years of age and over for their homesteads.

City commissioners, meeting with the school board on the subject, were more inclined to grant the exemptions.

The meeting ended with a decision to talk to the school-city tax computer expert about the possibility of the city granting the exemptions while the school board abstained.

Dr. Dudley Moore, former school board president, expressed strong opposition to the granting of the tax exemptions to persons 65 and over in the school district.

Many persons 65 and over can well afford to pay the full taxes on their homesteads, Dr. Moore said, while many younger people cannot.

"I don't see any sense in making them (young people) carry the load," he said. "Personally, I'm against it."

School Board member Richard Pruett said he feels the school should wait before granting the exemption.

Members of both boards agreed that the loss in income from the exemption would have to be made up somewhere else — probably in the form of higher taxation for other residents.

Granting the exemption would mean a loss of almost $20,000 annually to the school district and an annual loss of about $13,000 to the city.

"That means it would have to be made up some place," Dr. Manly Bryan, mayor of Canyon, said. "It'd have to go up on other people."

Bryan contended that the city is more or less obligated to grant the exemption since the voters of

State Health Warns County Of Bore Hole, Water Danger

Representatives of the Texas Department of Health have told County Judge Woody Pond that if county commissioners don't do something about bore-hole drilling in the county, the state agency will.

Pond said three representatives of the health department visited the county recently inspecting a water and sewage system in one particular mobile home park and eyeing other water and sewage systems in the county.

"They indicated there is a danger to the local people drilling wells particularly in trailer courts," the judge said. "They indicated if the county or local people don't do something to protect the health of the people, it would be a problem the state would have to do something about."

The health department representatives made specific recommendations to the owner of a mobile home park in South Amarillo on upgrading his water and sewage system.

They also surveyed several mobile home parks in the county.

"They said they (bore hole type sewage disposal systems) should be controlled and there should be rules and regulations set up locally," he said. "They said they're not too concerned about the old boy way out in the country by himself, but that he should be warned to the dangers of setting his bore hole system."

Pond said the state officials recommend that bore hole sewage systems not be placed any closer than 500 feet from a water well.

The judge said the officials do not recommend a bore hole type sewage system, a system whereby a deep cesspool hole is

WT Decision Due Friday On Faculty

Decision on who and how many faculty members at West Texas State University will be terminated is expected by Friday.

Dr. Ray Malzahn, academic vice president at WTSU, said word on faculty members whose services will be terminated will be given by the weekend.

Malzahn had told The News earlier that as many as 20 faculty members may be cut from the university staff due to budgetary requirements imposed by the state legislature.

He said Tuesday administrators are still discussing the situation.

Eleven faculty members were notified last year of their

Suit Seeks $35,000 Over Collapse Of Gerald's 'Leaning Tower' Silo

A Canyon farmer filed suit Monday in 47th District Court seeking $35,000 in damages as a result of the collapse in October of 1972 of his 80-foot grain silo.

Charles E. Gerald, who has property northwest of the city, filed the suit against the Dodson Manufacturing Co. Inc., of Kansas.

Gerald's suit results from the Oct. 21, 1972 collapse of his grain storage silo, which for weeks leaned at a sharp angle before falling.

Gerald alleges the silo was 75 per cent full of feed when it collapsed.

The Dodson Manufacturing Co., which maintains an office in Dallas, constructed the silo, Gerald says, in the fall of 1965 at a cost of $15,935.

"Plaintiff would show the court and jury that on numerous occasions beginning with the month of February 1966, plaintiff advised defendant of the many vertical cracks in the silo, the looseness of the steel bands girding the silo and the failure of the plaster coating of the inside of said silo resulting in quite a lot of spoilage during the years 1966 and 1967," the suit alleges.

The suit says the defendant pledged to make repairs on the silo in 1966 but the repairs were not made until the latter part of 1967 at which time "defendant... allegedly attempted to repair the defectively constructed silo by re-plastering said silo, tightening said steel bands, and alleging that said repairs were adequate and that plaintiff could continue to use said silo."

Gerald says in the suit that the silo collapsed on Oct. 21, 1972 resulting in a complete loss of the silo and the loss of about 750 tons of silage.

The suit alleges that the defendant had an obligation to construct the silo "in a good, workmanlike manner," but that the silo "was not reasonably fit and proper for the purposes and uses intended and was defective and insufficient and that these defects and insufficiencies were in

(See SILO, Page 10)

Charles Gerald's silo took an apparent tilt last fall before finally toppling in October as these News pictures show.

Gerald has filed suit against the company which built the silo alleging negligence and seeking $35,000 in damages.

Mosquitoes? Call City For Spray

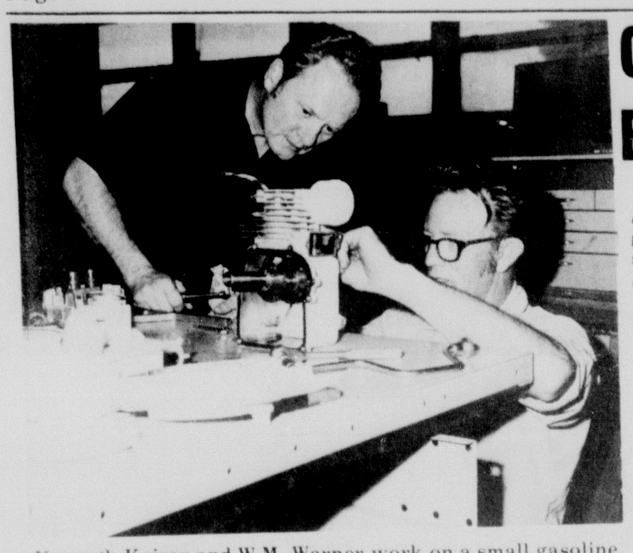
If you see any mosquitoes, George Loudder wants to know about it.

Loudder, city manager, said city employees are prepared to fight the annual summer onslaught of mosquitoes.

But, first they have to know when and where the pesky insects have arrived.

The city will use fogging equipment this summer in city streets and alleys to combat adult mosquitoes.

He said spraying will start "as soon as we get some reports of infestation."



Kenneth Keiser and W.M. Warner work on a small gasoline engine during a course at Canyon High School this week. The course will be offered again beginning Monday at the CHS voag building.

Two Golf Tourneys Coming Up Here

The Tall Tower Open Golf Tournament is ready to get under way Saturday and Sunday at Hunsley Hills Golf and Country Club, and a partnership tournament is set for the weekend of May 26-27.

Prizes totaling $500 will be given away to winners in three brackets at the Tall Tower Tournament, according to Dale Newman, golf pro at the club. Low net and low gross will be awarded in a 0-9 handicap class and a 10-18 handicap bracket. Four lowest scores in the novice group will also win prizes.

Entry fee for the tournament sponsored by KVII TV in Amarillo is $5 for the two days. Play begins with "shotgun start" at 9 a.m. and 2 p.m. on both Saturday and Sunday.

Applications are also being taken for the men's amateur partnership tournament on Saturday and Sunday, May 26 and 27.

City Decides Spending But County Is Waiting

The city moved swiftly to decide what to tell the federal government its money will be spent for here while county commissioners are still considering what to use its federal money for.

Both governmental entities are required to submit to the federal government a budget indicating how they wil spend revenue sharing funds sent here for the first six months in 1973.

City Manager George Loudder has prepared a budget to be turned in to the Treasury Department which indicates all $52,296, the total six-month entitlement for the city, will be used for construction of the new city hall complex.

He said previously allocated federal funds will be used in the design and architecture phases of the construction program.

Governmental entities are not required to tell the federal government how the allocations for 1972 were used.

At the county, commissioners have not yet concretely identified any particular project for which their revenue sharing funds will be spent.

The first year's entitlements have been spent primarily in law enforcement salaries and other miscellaneous programs in which the county participates.

Commissioners indicated Monday they will probably allocate a portion of the 1973 money to the sheriff's department for new photographic, investigative and emergency equipment and a new station wagon.

But, all departments in the county courthouse have been asked to submit equipment requests to commissioners for consideration for expenditure of the federal money.

County Judge Woody Pond said requests for typewriters, shelving, adding machines, calculators and other equipment have been sought by departments.

He said commissioners are not now considering the use of the federal money for construction of a new courthouse annex in South Amarillo.

Commissioners have discussed the project for some time now, but have taken no specific action.

Pond said commissioners are currently thinking of using regular income from local taxes to finance construction of a new annex, if the decision to build a new annex is made.

He said he personally feels it is not a good idea to set aside revenue-sharing funds for construction since there is no guarantee the funds will be available for the full five years they have been promised.

News Brief

A committee of the Panhandle Regional Health Council has okayed the construction of a 50-bed hospital in Canyon.

Representatives of the South Randall County Hospital District met with PRHC members last week to discuss the new hospital, for which construction is expected to begin this summer.

The committee, meeting Tuesday night, gave approval to the hospital construction.

Baby Daughter Born To Browns

A new baby daughter, Lori Deanne, was born to Mr. and Mrs. David Brown of Dawn on May 11 at Neblett memorial Hospital. The infant weighed 6 lbs. 11 ozs. and was 19 inches long at birth.

The grandparents are Mr. and Mrs. W.W. Wheeler and Mr. and Mrs. Charles R. Brown, all of Wheeler.

Lori Deanne is the Brown's first child. Her father is employed by Parker Cattle Company.

City Woman Named To Board Of Foundation

Mrs. Margaret Harper of the Panhandle Heritage Foundation, sponsors of the musical-drama "TEXAS," has been named a member of the board of the Conquistadores Trail Foundation.

Mrs. Harper joins 29 other directors from Texas, New Mexico and Arizona on the new foundation's board.

The foundation, a non-profit corporation, is to publicize the Conquistadores Trail and encourage tourists to visit the historic sites along the trail.

County Judge Woody Pond, left, accepts a check Friday from Phil Langen, president of the Kiwanis Club for the Canyon division of the Opportunity Plan, Inc. The $200 check is just part of the money collected during the division's drive in Canyon.

Viet Vet Found Guilty Of Amarillo Robbery

A 24-year-old Vietnam War veteran was found guilty of armed robbery Monday and sentenced to 10 years probation by a 47th District Court jury here.

Ernest James Hayden of Hobbs, N.M., decorated thrice during a year in Vietnam with the Bronze Star medal and the Purple Heart, was found guilty of the armed robbery of a Toot 'n Totum at Washington and the Canyon E-Way on Feb. 5.

The jury deliberated 10 minutes before finding him guilty.

Prosecution witness James Schelfout of Killeen, who was attendant at the convenience store the night of the robbery, testified Hayden and another man entered his store about 10:30 p.m. Feb. 5 and looked over merchandise for a few minutes before approaching the cashier counter.

He said Hayden's accomplice approached him, pulled a small pistol and told him to empty the cash register.

Schelfout said Hayden then came behind the counter and pulled money from the cash drawer.

Witness Don Perementer of Amarillo told jurors he and two friends had gone to the store to buy cigarettes when they noticed Hayden and his friend inside the store. They became suspicious, he said, before leaving their car in front of the store and sat in the parking lot. Through the windows of the store they watched the robbery, he testified.

Amarillo Policeman Chancey Coberley testified he was present when Hayden and an alleged accomplice were stopped by police and their car was searched.

Coberley said about $30 in bills were found under the seat of the car and a small .25 caliber pistol was also found.

Hayden testified in his own behalf and said he had been with another man, Ewell Collins of Amarillo, but that he didn't realize Collins was going to pull an armed robbery, according to Dist. Atty. George Dowlen.

Hayden also testified he had served a year in Vietnam where he received three Bronze Star medals and three Purple Hearts. As a result of the war, he testified, he has a 50 per cent disability from the government.

His stepfather also testified during the punishment portion of the trial.

Hayden was represented by Amarillo attorney Ronald Posey. The prosecution was pursued by Asst. Dist. Atty. Bob McClendon.

Collins is due to stand trial on similar charges later.

New Equipment Okayed For Sheriff's Office

After an hour delay for questioning, County commissioner John Fulgenzi nodded his assent Monday and paved the way for the probable purchase by the county of new camera and emergency equipment for the sheriff's office along with a new station wagon to carry it.

Although no final action authorizing the purchase of a new vehicle or the equipment was taken by commissioners, they indicated their approval during Monday's session.

Sheriff Cliff Longest presented a two-page request for new cameras, camera equipment, emergency equipment and the station wagon to commissioners and immediately underwent close questioning by Fulgenzi.

The sheriff's total request amounted to $12,000, including the trade-in of two current deputies' cars.

"On the station wagon," Fulgenzi said, "Is there the type of crime or the environment you deal with so specialized that you need this piece of equipment?"

"It can be used for a number of different things," the sheriff replied. "We can put an emergency stretcher in it or it could transport prisoners if necessary."

The sheriff said the station wagon would primarily be used as an automated criminal investigation laboratory, containing photographic equipment and investigatory equipment necessary for crime scene analysis. The car and equipment would be issued to Deputy Merle Strickland.

The sheriff proposed the equipment be purchased with a portion of Randall County's federal revenue-sharing money.

"Without revenue sharing, how would you feel about that equipment?" Fulgenzi asked.

"We could get by without it if the money were not available," Longest said.

"What bothers me is you haven't quite convinced me you need this," Fulgenzi said. "So many times we read in the paper where good ole Uncle Sam has money to give away and everybody wants in on it. You haven't sold me on the fact that we aren't doing the same thing."

Strickland, who was asked by Longest and commissioners to join the meeting, said the vehicle would save time and money in crime scene investigations and that he believes it would be used as many as 20 times per month.

"We've been talking about it for several years," he said.

"Based on the number of calls you could justify it to me now," Fulgenzi said.

In other business, commissioners approved the attendance of Mrs. Audrey Bruse, tax assessor-collector, at an appraiser school, but said she will have to pay her own expenses.

Commissioners also approved advertising for bids for a new water heater for the jail.

Willing Spirits, Helping Hands Made PTA Success

By TROYCE MULHERIN

Greetings:

NOT BEING IN on a secret is a terrible thing. Sometimes a surprise is actually a real surprise. Most "suprisees" manage to collect themselves and continue whatever they are doing in good form. The first two statements here are completely true; the third, unfortunately, did not apply to the old (excuse me, that's "outgoing" not "old") PTA president during the last meeting of the year held recently at the school. Yours truly completely lost her "cool" and most of her notes upon being presented with an Honorary Life Membership, same being conferred by the Texas Congress of Parents and Teachers via the Gene Howe Unit. Mrs. Ernestine Harp, incoming president, made the presentation to a very surprised and, therefore, very "unhinged" outgoing president.

AN HONORARY LIFE Membership is the highest honor that can be bestowed by the Texas PTA and honors individuals for outstanding service for children and youth. The part about the "outstanding" service is quoted from the certificate, and may be open to debate. The part about the "highest honor" is undebatable, and one I will always cherish, worthy or not.

MY THOUGHTS TURNED immediately to the other PTA people, who have given so much to their school and all children and youth. Take Ernestine for instance. she has presented willing, helping hands on every occasion. Darlyne Bell and her membership committee have garnered three awards for our unit this year. Our chili supper lady, Gwyn Sellers, chaired yet another successful undertaking. And, our recording secretary, Darlene Campbell, had her hands full. But, she very graciously (and fortunately) did not write down everything said or done. Thank goodness.

AS CORRESPONDING SECRETARY, Glenna Schmidt was not too overworked; but, as one willing to tote children here and there, science fair projects here and there; supplies and anything else needing to be toted here and there, she really shines. Think about Pete Baker, treasurer, for a minute. You menfolk can commensurate with Pete. You have only one woman interested in the checkbook; Pete had at least twelve other people naggin' him about the state of the treasury.

NELL MOORE SERVED as our reporter-historian, and Doris Nash as parliamentarian. And, those lovely refreshment tables at the various meetings just didn't happen. And, that yummy punch didn't materialize at a snap of the fingers. Arlean Todd's job as hospitality chairman would have been simpler, if she and her committee possessed magic powers. No magic involved here, just an earnest desire to help and do. They did and do so very well.

VONDEAN MCGREGOR SERVED as faculty representative, for which we are sincerely grateful. And, the smiling Raydell Palmer served as room representative chairman.

OUR FEARLESS LEADER is mentioned last. Not just because he is at the bottom of the list, but because he is the most important. The Chief had demonstrated perseverance above and beyond the call of duty. Mr. Lawless has shown admirable patience and utmost diplomacy as a member of our unit. Somehow, he has retained his sense of humor; and, his genuine love and concern for all children and their welfare are sincerely appreciated. Besides that, we could not operate without him and his support. Thanks, Chief.

THESE PEOPLE ARE mentioned not just because they have contributed materially toward the achievement of the PTA objects. They have seen a need and moved independently and jointly to fill that need. Every family in the Gene Howe area has benefited from their efforts, and we thank each of them sincerely.

FIRST GRADERS PRESENTED a very enjoyable play entitled, "The Little Red Hen," at that PTA meeting. Mrs. Margie Phillips served as musical director; and Mrs. Loy Gerald and Mrs. Alicia Niemeier contributed more than their fair share as directors. Lots of good entertainment. Those first graders can really perform.

SHERRI MCGREGOR CELEBRATED her thirteenth birthday on the 7th. She and brother Danny were spending a few days with the Howard Cochran family while daddy Herb was in the hospital. Following cake and giftee time, the McGregor youngsters and Howie and Laura Cochran were escorted to Wonderland Park by Howard Cochran. Gay relates everyone had a good time, even Howard.

HERB MCGREGOR'S HOME following heart surgery and doing well. He brought some envious doctor's orders home. As of last Monday, Herb was "under doctor's orders" to start swinging that ol' golf club. Within two weeks he is to be walking a mile a day. When Herb gets his full strength back, his golf buddies sure better be alert.

THE LOVELY GAY Cochran received an equally lovely honor recently. Her sorority chapter, Xi Delta Alpha, voted her "Mother of the Year". How 'bout that! Not only has Gay been busy "Mothering," she has been very busy sewing up a hundred yards of drapery material. That's a lot of drapes.

THE TEXAS CLASSROOM Teachers Association held its annual banquet recently at Canyon Junior High. Mrs. Loy Gerald was recognized for her work on the hospitality committee, and Mrs. Margie Phillips will be serving the Association in the role of secretary for the coming year. Table decorations were themed on a butterfly motif, and the teachers were as lovely and colorful as butterflies in their sumptuous long dresses. The Show Choir performed several numbers, much to the audience's enjoyment.

ATTENTION YOUNG PEOPLE! May 28 is Gene Howe night at Wonderland Park. Woopie! You might want to start doing some extra chores around the homestead, so you will have some extra money for extra tickets for the rides. Tickets bought at the school will cost less than those bought at the park. Ticket sales at the school will start May 24 and will end May 28. This is a PTA project and budget chairman, Gwyn Sellers, will be getting more detailed info to you parents via note from the school.

THE AMARILLO AREA Council held its annual School of Information May 10 at the First Christian Church in Amarillo. The meeting was called to order at 9:30 and following the usual format, Gene Howe was given a PAFLE award, presented by Mrs. Don Palmer. Workshops were held during the morning hours. Attending same were Ernestine Harp, Luther Lawless, Jackie Mayfield, and Doris Nash. Gay Cochran attended as a special guest, as did Mrs. Vondean McGregor. Darlene Campbell and Margaret Ingram and Gwyn Sellers also represented Gene Howe. Darlyne Bell joined the group for the afternoon program, at which LIFE MEMBERS were recognized. (Guess who was one of these?) Dr. Winfred Moore gave the invocation, and the musical program was presented by the Wesley Community Choral Group. Mr. Robert Ashworth recognized retiring teachers and Mr. Lehman Gregg presented the council scholarship. Mr. Jerry Hodge gave the benediction, closing a rewarding and informative PTA day.

FRIENDS OF THE Bob Ewings (who moved to Austin a few years back), will be interested in knowing that Elizabeth Jane Ewing will be graduating from high school this week. "Little" Libby, graduating, already.

SECOND GRADE STUDENTS have recently undertaken a course of study relating to prehistoric animals and fossils. Reading about such things in a book is one way to learn. Another is to see the real thing. Closest to this particular "real thing" these youngsters could come was realized in a field trip to the museum in Canyon. They went last week. They saw. Some even sorta touched an old bone maybe. What was rewarding was realizing that some of the youngsters could recognize and name the things they saw.

HERE WHILE BACK the sixth grade youngsters were studying electricity. Weather would not permit a first-hand look-see until last Friday. Off to visit the Nichols Plant on a supervised tour. Even went inside one of the huge turbines. The turbine was turned off, of course, but the youngsters were turned on with all they learned. Sixth graders also visited the Bushland Agriculture Research Center, where Dr. Kenneth Porter showed some slides relating to pollination of grains and showed the youngsters how cross-pollination was done. These youngsters have recently been studying such things in their classes. Understand they delved into hybridization, too. As Mrs. Shoemaker says, learning can be fun, and these youngsters found that to be a fact.

HOBBLING AROUND WITH a cast and missing out on the track meet is not much fun, though. Ask Kevin Dozier. He recently managed to break four bones on the top of his foot, which bones serve to hold the ol' toes on. Such happenings came about from a little cycle mishap.

OUR SIXTH GRADE Band has really developed these past months. The band concert held at the school Monday night gave the youngsters a chance to strut their stuff, and gave Mr. King an opportunity to show off his students. Mr. David Groves, student teacher, directed the youngsters in two numbers, and Mr. King waved the ol' baton o'er the music sheets for the other numbers. Most enjoyable evening. Lots of practice hours preceded the concert. Paid off, too. Did the heart good to see and listen to these musicians. Special guest rating for the evening went to Mr. Gary Laramore. Mr. Laramore is the band conductor for the junior high. Could be he was scouting the talent coming his way next year. Good show.

FRIDAY, MAY 18, is Awards Assembly Day at Gene Howe. Awards going to children in the primary grades will be presented starting at 1:30. Repeat awards, but not repeat recipients, for the intermidiate students will start about 2:30. These awards cover a lot of territory, from track meet, to music awards, to attendance awards, and so forth.

SPECIAL THANK YOU to Betty True for helping with refreshments and so forth for the PTA this year. Upon being thanked for being so helpful and dependable, she mosestly said, "If you can't help even a little for your school, what else is there."

GOOD WORDS TO remember. Good place to call it a halt this week. And, no, I did not get a dictionary for Mother's Day. You spell 'em your way, and I'll do likewise.

THANKS FOR THE use of the hall.

Math Prof Named Head Of Faculty

Dr. Jack Bullock, associate professor of mathematics, has been elected chairman of the West Texas State University Faculty Council for the 1973-74 school year.

Other new officers are J. Stuart Lawrence, assistant professor of business, vice-chairman, and Robert D. Sawvell, assistant professor of geography, secretary.

Two present members of the council were re-elected and three new members were named to the 11-member group. All serving two-year terms.

Re-elected were Dr. Wendell Cain, professor of speech, and Dr. David A. LaBrie, assistant professor of biology.

New members were Sawvell, Dr. Albert R. Mitchell, professor of accounting, and Dr. William M. Erwin, assistant professor of psychology.

Other council members are Dr. Eugene F. Buckley Jr., Dr. Jimmie L. Green, Elsa Porter and Dr. J. Pat Stephens.

Women Sweep Iris Awards

Three Canyon women swept top honors at the annual North Plains Iris Society's Iris Show held at the Amarillo Garden Center Saturday, May 12.

Mrs. Joe Frank was awarded sweepstakes in the artistic division with several arrangements. Mrs. Bill Downing garnered a rosette for the outstanding best arrangement.

An iris named Mary McClellan entered by Mrs. C.C. Callarman captured the Queen of the Show award. She also took sweepstakes in the horticulture division with 12 blue ribbons, three red ribbons and one white ribbon. One of the blue ribbons was given for "Best English Box," an entry of six different blossoms. Mrs. Callarman also won a rosette for an outstanding educational exhibit and eight "best of class" awards.

Altogether, eight of the eleven iris placed on the Queen's table were entered by the Canyon women. The show is open to all iris growers of the North Plains.

Mrs. Callarman stated the weather and generous rainfall this spring in the Panhandle had contributed to an unusually beautiful bloom of iris. However, she credits selection of choice rhizomes and careful preparation of soil with producing award winning blossoms also.

The Canyon woman is particularly enthusiastic about "new" iris breeds as opposed to the "old" varieties. New iris are crispier in texture and thus keep their form better, besides coming in new hues of color and larger blossoms.

LAST WEEKEND MY husband, Steve, and Steve Woodard went to a swap meet in Lawton, Oklahoma. To explain the term swap meet, let me just say it is an affair that old-car freaks bring their old-car junk and swap it for someone else's junk. Steve and Steve had an enjoyable time and might have come home with a little less junk than they went with, although our garage doesn't look like it. I took the kids and spent Mother's Day with my family in Dalhart. A weekend with my family means a 48-hour talkathon. For those of you who know me and my long-winded ability, just let me say you should meet my mother.

AUBREY AND IMOGENE Crossland have returned from an insurance seminar held at Lake Texhoma. After the meet, they traveled on down to Mt. Pleasant to visit Aubrey's mother before returning to Canyon.

BENNY COOPER AND his brother, Joe, of Tucumcari, have come back from a grocer's convention in Dallas.

AT THE MONDAY afternoon meeting of the Board of Directors meeting of the Women's Division of the Chamber of Commerce, plans for Canyon Days were discussed. The Canyon Days celebration will be on June 30th this year, with the Fourth of July festivities the following Wednesday.

A general meeting for the entire body of the Women s Division was scheduled for June 5.

LILA GAY VARS was telling me about the recent State Convention of Federated Women Clubs the other day. Lila, Harriet Brandon, Ella Brown, Susan Dolle and Patricia Magness went to Brownwood for the meeting. Lila Gay said they spent most of their time working on the revision of the By-Laws. Several awards were won by Canyon Study Clubs. University Study Club won a first on their yearbook.

WT Tracksters Eye Improvement In MVC Meet

West Texas State University's track team has hopes of improving its fifth place finish of the 1972 Missouri Valley Conference meet in this year's event, but it will be a tough job for the Buffaloes.

Defending champion Wichita State, North Texas and Drake are the conference's big three in track and all of those clubs have depth and talent.

The Buffaloes of coach Bob Kitchens were edged for fourth place last year by sprinter-rich Memphis State and the Tigers are again loaded in the short races.

Injuries have been a key factor in this year's Buffalo schedule. Defending 120-yard hurdle champion Carl Brown (The MVC's record holder at 12.9) injured his leg at mid-season. Brown is expected to attempt to defend his title in the Saturday-Sunday event this week at Memphis, Tenn., but hasn't run since his injury.

Gary Keim, who has run on the Buffalo relay teams and has a 48.3 open quarter-mile time, will miss the conference meet because of an injury, as will freshman distance runner Larry Lane.

The Buffaloes have the defending MVC pole vault champion in Warren Snow. The Amarillo senior has won the event in the conference meet for the past two seasons at 15-0. Several other MVC vaulters have exceeded that standard this season and Snow's best is 15-3.

Jim Hogan, senior miler from Buffalo, N.Y., ran 4:12.0 two years ago to earn second place, but had an off-year in 1972. He is again running well and has a best this season of 4:13.5. Alan Walker of Wichita State is the defending MVC mile champion.

Cecil Hood won the MVC indoor high jump crown this year at 6-6, but has reached that height only twice during the outdoor season. Gary Six, who was third in that event last year at 6-7, has cleared that height this spring.

Dennis Briggs of Seminole and freshman Marvin Self will contend in the weight events. Briggs has a best discus throw of 183-10 and Self has thrown 181-3.

Sprinter Tracy Dickson has a best time of 9.4 in the 100 and 21.3 in the 220. He was fourth in the conference 220 last spring.

Accidents Total 27 In County

The Texas Highway Patrol investigated 27 accidents on rural highways in Randall County during the month of April, according to Sergeant Jack Crownover, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and 18 persons injured.

The rural traffic accident summary for this county during the first four months of 1973 shows a total of 63 accidents resulting in three persons killed and 30 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety, Region #5, for April 1973 shows a total of 544 accidents resulting in 24 persons killed and 285 persons injured as compared to April, 1972 with 445 accidents resulting in 44 persons killed and 232 persons injured. This was 99 more accidents, 20 less fatalities and 53 more injuries in 1973 at the same period of time.

The veteran officer said the accident rate has increased about 20% in the 60 counties of Region #5.

The 24 traffic deaths for the month of April, 1973 occurred in the following counties: Crosby, Hockley, Lubbock, Lynn and Sherman, two each, and Clay, Floyd, Garza, Gray, Hartley, Oldham, Palo Pinto, Parker, Potter, Randall, Terry, Wichita, Wise and Wheeler, one each.

Others Favored In Golf Match

Defending champion North Texas State, host New Mexico State and Wichita State are the heavy favorites in the 35th annual Missouri Valley Conference Golf Championships, but West Texas State is hoping to make a few waves of its own.

The 54-hole tournament is Friday through Sunday at Las Cruces, N.M., over the par 72, 7,108-yard New Mexico State University course.

North Texas has won the tournament 11 out of the last 12 years, including an eight-stroke win over second place New Mexico State during the 1972 tourney at Memphis, Tenn. Playing on its home course, the New Mexico State team hopes to have some edge.

Wichita State returns the defending individual medalist from the 1972 tournament in Gary Navarro. North Texas is led by All-American John Granger, who carried a 72.2 average per 18-hold round this spring. New Mexico State's Bill Sumner and Terry Jennings are other strong players.

West Texas State, coached by Vern Farquhar, is led by Amarillo junior Jerry Boeka, who has a 74.1 per round average for 21 rounds this year. Other Buffalo entries are Dick Weston, Randall Burton, Junior Salinas and Eddie Kilmer. Weston carries a 75.5 per round average for the year, but is the low man during spring play with an average of 73.0 strokes per round.

Burton is averaging 77.7 strokes per round for the year, Salinas 79.1 and Kilmer 82.2.

Piano Student Giving Recital

Ethel L. Gooden, daughter o Mr. and Mrs. W. Hayes Gooden o Amarillo, will be featured in a piano recital at 6:45 p.m. Saturday at the Musical Arts Conservatory in Amarillo.

She is a sophomore student of George Eason of the West Texas State University music faculty. Miss Gooden is a member of Mu Phi Epsilon, national honorary music sorority at WTSU.

Programmed for the recital are Bach's "Prelude and Fugue in D Major," Beethoven's "Sonata, Opus 2, No. 1," Chopin's "Prelude," Opus 28, No. 3 and No. 18 and Debussy's "Feuilles Mortes."

Everything at Gene Howe Elementary School was hillbilly Tuesday morning when the sixth grade presented a choir program for the student body. The Hillbilly Guys and their "corn songs" were just a part of the musical dotted with singing humor.

Hillbillys Take Over At Gene Howe School

The sixth grade at Gene Howe Elementary School presented its choir concert to the student body, teachers and parents Tuesday morning.

The theme of the musical program was "hillbilly," with members of the cast dressed in traditional hill folk costume.

Hillbilly Gals included Cheryl McNabb, Pam Lichte, Carrie McMennamy, Melinda Brown, Traci Bufkin, Janice Delaney, Lisa Erwin, Kendra Wallis, Cindy Todd and Lynda Foster.

Hillbilly Guys were Kelly Thomas, Billy White, Dwight Williams, Roby Ingram, Steve Langford, Gerald Marler, Kelly Dozier, Mark Podzemny, Terry Rudd, Steve Schmidt, and Billy Cunningham.

Other Hillbillys were Debbie Russell, Rhonda Anderson, Connie Colfelt, Kathy Herrin, Cindy Todd, Kay Tow, Diedra Carroll, Sherri Rowland, and Cory Ford.

Members of the Hillbilly Band were Toby Cox, Marty Mulherin, Monte Bell, Danny Whipple, Jeff Weisbart, Kelly Thomas, Kyle Balke and Fred Thomas.

Thomas was featured throughout the program as guitarist.

The school band, under direction of J.W. King, performed just prior to the choir.

Mrs. Margie Phillips was in charge of the choir program.

University Study Club Installs Officers

University Study Club installed officers and introduced three new members at their final meeting of the year, a coffee held Friday, May 11, in the home of Mrs. Tom McClure.

Mrs. Myron Dees, president for 1973-74 was installed by Mrs. Wayne Wirt, outgoing president. Mrs. Dees will be assisted by Mrs. John Childs, vice-president; Mrs. Tom Cannon, secretary; Mrs. Ray Eller, corresponding secretary; Mrs. Eugene Bonds, treasurer; Mrs. Duane Howard, parliamentarian; Mrs. Dudley Moore, Jr., reporter-historian; and Mrs. Bob Lindsey, program chairman.

New members introduced at the coffee were Mrs. Jim Irlbeck, Mrs. Ed Harrell, Mrs. David Wheeler, and Mrs. H. L. Dillehay.

Mrs. Don Max Vars, Top of Texas District president, reported on the Texas Federation Convention, May 8-10 at Brownwood.

Mrs. John Childs and her committee were recognized for winning first place for yearbook in the senior division at the State Convention.

A treasurer's report was given by Mrs. Gilbert Irlbeck.

Mrs. Dudley Moore, Jr., presented checks for community project work to Mrs. Murphy White, representing the Canyon City Library, Mrs. Gilbert Irlbeck, representing the Canyon Girl Scouts, and Mrs T. G. Hull, representing the Babe Ruth League.

Mrs. Wirt gave a short presentation on the American Indian Woman. The installation of officers followed, with a response given by Mrs. Dees.

At the close of the meeting, members presented a gift to Mrs. Wirt for an excellent job done as president for 1972-73. A pledge of support was given the incoming president, Mrs. Dees.

Serving miniature sweet rolls, punch and coffee were Mrs. Richmond Hales, Mrs. Bill Davis, Mrs. Lee Roy Moreland, Mrs. Gary Laramore, Mrs. James B. Kokerst, and Mrs. Weldon McClure.

Special guests at the Friday coffee were Mrs. Billy Reid and Mrs. Harold Stephens of Leesville, La., mother of Mrs. John Childs.

University Study Club's new officers for the year 1973-74 are shown above. Left to right, seated, are Mrs. Tom Cannon, secretary; Mrs. Myron Dees, president; Mrs. Dudley Moore, Jr., reporter-historian; Mrs. Eugene Bonds, treasurer. Standing are Mrs. Thelma Ruth Childs, vice-president; Mrs. Duane Howard, parliamentarian; Mrs. Bob Lindsey, program chairman; and Mrs. Ray Eller, corresponding secretary.

Troop 66 Will Give Awards

Boy Scout Troop 66 will hold its annual mothers appreciation dinner and court of honor on Monday, May 21, at 7 p.m. at the First Christian Church.

Approximately 80 awards will be presented to 20 boys, and each boy will give his mother a gift. New members of the troop customarily give their mothers a charm bracelet, and each year charms are added representing awards earned by the boys.

An invitation is being extended to all who have earned Eagle awards in former years from Troop 66 to attend the dinner and awards ceremony as guests of the present troop.

CHS French Students Win Regional Honors

Two Canyon High School students won honors in the regional portion of the National French Contest held at West Texas State University March 31. The results were received this week after final judging.

Linda Youssi of CHS placed ninth in level 2, and Teresa Engler placed fifth in level 3.

According to a spokesman at WTSU, this was the first time Region 8, which includes eight states, ever placed more than one winner, and it was the first time for Canyon students to place.

A Tascosa High School student was the other winner from Region 8.

The contest nationally draws about 50,000 entrants and the regional was entered by some 10,000 students.

Mrs. Mary Janes Reeves is the teacher of both Miss Youssi and Miss Engler.

Engine Course Held Over At CHS

A second two-week adult education night course on Briggs & Stratton small gasoline engines will be conducted at the Vocational Agriculture Building at Canyon High School.

The repeat course will meet on Monday, Wednesday and Friday at 7:30 p.m., beginning next Monday night.

The course features repair and maintenance of the engines and will again be taught by agriculture instructor Ron Davis.

Eight persons were enrolled in the first course which ends tonight, Davis said.

The course will consist of classwork learning about compression, carburetion, ignition, starting and governing. The class work will be followed by the complete disassembly of small gas engines in the shop.

Five new engines having horsepowers of 3, 3½, 4 and 5 HP will be used in the shop. This is a good opportunity for individuals in the community to learn how to maintain and service a lawn mower, garden tiller or any other 4-cycle engine.

There will be a $5.00 charge for taking the course. Anyone interested in taking the course may contact the instructor, Ronald Davis (655-3921 school or 655-9363 home), before Monday night.

Highland Club Completes Quilt

Highland Home Demonstration Club met for a covered dish luncheon Wednesday, May 9, in the home of Mrs. Clarence Howard.

Members completed a quilt to present to a needy family during the morning. Plans were made for a family picnic on the Howard creek on June 3, after which the club will disband until September.

The next event will be a "come as you are" breakfast at 8:30 a.m. on May 23 in the home of Mrs. Melvin McClure.

Those attending the recent meeting were Mrs. James Janssen, Mrs. Melvin McClure, Mrs. Clarence Howard, Mrs. C.R. Howard, Mrs. L.C. Robinson, Mrs. Warren Thompson, Mrs. Bernard Grabber, Mrs. Siegfried Bolte, Mrs. Jones Hales, and Mrs. Boyd Elliott.

Members of the Canyon Junior High School golf team that won the district championship this year are Jerry Allen, Bill Turner, Sandy Winn, Craig Howard and Bryan Garner. The team won the honor by having the best score at three district golf meets.

Intense Junior In Key Role In WTSU Tennis

Dale Corbin is an intense young man who has taken only average ability and made himself into a fine collegiate tennis player. The West Texas State junior from Wichita Falls is expected to play a key role in the Buffaloes' 1973 Missouri Valley Conference title hopes.

Corbin will be playing in the number four singles position for the Buffaloes in the MVC tourney Saturday through Monday in Memphis, Tenn. He teams with John Phillips, Snyder junior, to form the Buffs' number two doubles team.

"Dale doesn't have the rare talent of some players, but he beats many players who have more talent," said West Texas State coach David Kent.

Corbin, who faces New Mexico State's John Lee Noble in his opening round match Saturday in the double elimination tourney, has an 18-5 season record for the Buffaloes. He and Phillips are 16-6 in doubles.

The MVC event will be composed of seven different tournaments—five singles and two doubles. Each tournament will be double elimination. Five points will be awarded for first place in each division, three for second, two for third and one for fourth.

Kent's Buffaloes will take a 17-6 season record into the MVC tourney in seeking their second title in three years of Valley competition. They won the 1971 tourney, but tied with Memphis State for second last spring as North Texas won the event.

Corbin, who started playing tennis in the eighth grade under Wichita Falls High School coach Charles Avera, won the state Class AAAA high school doubles title his senior year with North Texas State's Mark Floyd.

"You like the things you do best, so it was natural for me to enjoy playing doubles better than singles for some time," said Corbin. "As I have now had success in singles, I enjoy either singles or doubles."

Corbin teamed with Bill Griffith, the University of Tulsa's number one player this year, to play doubles last summer on the Pacific-Northwest tour. Their top win was over the University of California number one team of Peter Campbell and John Stephanki.

The junior chemistry major says his ground strokes and volley game have improved a great deal during his three years under coach David Kent at West Texas.

"Collegiate tennis is certainly tougher mentally on a player than tennis on the high school level. In fact, the mental part is probably the biggest difference," he said.

In other opening round singles matches Saturday, the Buffs' number one man Bill Marsh plays Danny Haddox of North Texas State, in number two singles Mike Bolton faces Tim Taylor of Louisville, Phillips, the number three man, draws a bye, and number five player Joe Carrick faces James Beck of Drake. Phillips plays the winner of the opening match between Armando Rivera of New Mexico State and David Pinnell of Tulsa.

Marsh and Bolton face Don Harris and Brad Riley of Bradley in their opening round number one doubles match. Corbin and Phillips are matched against Don Paper and Tim Taylor of Louisville.

Four of the six Alpha Chi members who each received a $100 scholarship grant are pictured above with Dr. Wendell Cain, sponsor. They are, from left, Larry Tilger, biology major from Canyon; Mike Lacewell, music major from Borger; Linda Wilson, math major from Pampa; and Jeppie Wilson, music education major from Monahans. Michael Gilbert, Amarillo, and Steve Briley, Childress, were the two other recipients.

Five Attend Convention

"Our American Heritage—Responsibilities" was the theme for the 76th annual convention of the Texas Federation of Women's Clubs attended last week by women representing Canyon Clubs. The meeting was held in Brownwood, May 8-10.

Those who went were Mrs. Lila Vars, Top of Texas District president, Mrs. Ella Brown, Mrs. Patricia Magness, Mrs. Harriet Brandon, and Mrs. Susan Dolle.

One of the highlights of the convention was the presentation of awards to the various clubs throughout Texas. University Study Club of Canyon was awarded first place for yearbook in the senior division.

In Thursday's business session, members voted in secret written ballot to keep the TFWC headquarters building in Austin, defeating a proposal to sell the building and thus eliminate expenses of taxes and upkeep.

The three-day convention presented a number of outstanding speakers, including Dr. Roger Brooks, president of Howard Payne College, who gave the Wednesday evening address.

Delta Zetas Hold Annual Retreat

The Delta Zeta Rose Buddy Retreat was held April 28 at the Nolon Henson's home, south of Canyon.

Both pledges and members attended the retreat, which began with a breakfast at 6:45 a.m. and concluded with a luncheon prepared by Mrs. Henson.

As part of the activities, each pledge received a rose from her Rose Buddy along with a lot of laughs.

The sorority's Big-Sis, Little Sis Banquet was held May 8 at Sutphen's Barbecue in Amarillo.

Rex Reeves Track Meet Held Last Week

The last part of the past week at Rex Reeves Elementary School proved to be a busy time as the 4th, 5th, and 6th grades held their track meets.

The 4th grade competed on Wednesday, the 5th grade on Thursday, and the 6th graders on Friday.

About 600 ribbons were awarded to individual winners and the winning homerooms were awarded plaques.

Overall winner in 4th grade competition was Mrs. Margaret Read's room, the 5th grade winner was Mrs. Libby Read's room, and 6th place honors went to Ronnie Gordon's room.

The individual winners included:

Umbarger News Local Students Awarded Degrees

By REBA RAEF

OUR CONGRATULATIONS TO Susan Lindemann and Melvin Wieck, who graduated from West Texas State University last week. Susan received a B.A. degree, with an English major and a minor in speech. She was one in four who were graduated with special honors. Susan is certified to teach English. She plans to return to West Texas this fall, to work on her masters degree. Susan left on Tuesday, May 15, for Washington, D.C. She will visit friends and see some of the historical sights there. She will be gone about a week. The trip to the Capitol is a graduation gift from her parents, the A.H. Lindemanns.

MELVIN WIECK, SON of the L.J. Wiecks, received a B.S. degree in industrial education. At present, he is employed by Micro Chemical Co., in Amarillo. Melvin plans on returning to W.T., this fall, to work on his masters.

CHARLEY AND KATHERINE Beckman have returned from a trip to south Texas. They visited with their son, Gerald, and his family, in Corpus Christi. On the way home, they visited Henry Beckman, a brother of Charley's. The Beckmans said they have never seen the country as pretty as it is this year. Charley said that there are large fields of Milo around Corpus Christi.

PAUL FERGUSON, MANAGER of Buffalo Lake, has returned from Dallas, where he attended a five-day Civil Service training course.

DON'T FORGET THE Umbarger Community Association meeting, to be held in the Community Building, May 21, at 8:30 p.m. On the agenda for the evening is the election of officers and the presentation of the "Citizen of The Year" plaque.

MRS. HAZEL FRIEMEL has returned from a two weeks visit with her daughter, Mrs. Kay Jester and family, in Longdale, Oklahoma. Hazel said that it was warm and sunshiny the whole time she was there, and she didn't see any rain until she got to the Texas border on the way home.

MY APOLOGIES TO Monsignor Schafle. I failed to include his name among our guests at our anniversary party.

HENRY SKYPALA WENT to the John Levens home, in St. Francis, for dinner on Mother's Day.

I HAD A real nice Mother's Day. The Bernard Hartmans and Marion Hicks, from Umbarger, came by and visited. Lewie, Jr., from Pampa came on Saturday, and Mary and her friend, Kathy Goodin, from Amarillo, came for dinner. Most of the children away from home called or sent cards.

MR. AND MRS. Vincent Ramaekers had as their guests on Mother's Day, Mr. and Mrs. Cyril Brockman and children, from Nazareth. Mrs. Brockman, a registered Nurse, spoke to the Young Adult Class on The Ovulation Method of Family Planning. Mrs. Brockman and Mrs. Ramaekers are sisters.

THE ANNUAL BANQUET and dance for the Canyon High School Band will be held in St. Mary's Parish Hall, Saturday, May 19. The banquet will be prepared and served by members of St. Mary's Altar Society and music for the dance will be provided by Blackwater Draw.

WE ATTENDED THE final concert by the Canyon High and Jr. High Choirs, held Monday evening, May 14. After hearing the choirs sing some of the contest numbers, we know why they received such high honors. Our congratulations to Mr. Tom Jennings and Mr. Gene Murray, on the fine work they have done with the choirs. As far as I am concerned, their concerts could be longer!

WELL, THAT'S ABOUT all for this time. If you would like to tell me your news, my phone number hasn't changed — 499-2164.

Joe Angel, left, accepts a plaque as outstanding senior and junior student in the American Chemistry Society student affiliate at West Texas State University. Larry Tilger, center, president of the group, presents the awards to Angel and Bev Jacobs, outstanding freshmen or sophomore student.

Eagles Split With Demons

The Canyon High School baseball Eagles moved into a tie in the District 1-AAA championship race Tuesday by taking the first game of a doubleheader from Dumas 7-2, but then dropped back into second place when the Demons edged out an 8-7 win in the finale.

The Eagles rode to victory in the first game on the slugging of shortstop Gary Gerber, who blasted three homeruns while batting in five markers.

Canyon led 2-0 until the Demons tied it up with single runs in the fourth and fifth innings. Scoring three big runs in the bottom of the fifth, the Eagles went ahead to stay, and then added a pair of insurance runs in the bottom of the fifth.

Ed Lair went the distance on the mound for Canyon, allowing only three hits, and five walks while striking out nine. Lair is 6-1 for the season.

The Eagles picked up nine hits in the first game, including a pair of doubles by Lair and one two-bagger by Ronnie Cates. Cates was two for four and drove in one run.

In the second game, Dumas got out in front early by scoring two in the top of the first. They led by that score until Canyon tied it up with a pair of tallies in the third.

Dumas broke loose for five big runs in the fourth when they got to Eagle hurler Tom Keeling. Bill Moore relieved Keeling in the fourth and finished the game by giving up four runs while walking one and striking out four batsmen.

Keeling allowed four runs and four hits while walking five and striking out three.

Wayne Pitt picked up a two-base hit in the second game and Steve King went three for four and drove in two runs.

Both teams added single runs in the final inning, leaving the 8-7 score to drop the Eagles into second place.

Canyon travels to Dumas Friday where a win would leave the district crown in a tie. Canyon is 3-4 in district play, Dumas is 4-3, and Levelland is 4-4.

Should the Eagles win Friday, all three teams will end with identical 4-4 seasons.

Playoffs are set for Saturday should the tie result.

Pen Women Will Sponsor Conference

A writer's conference will be sponsored in the spring of 1974 on the West Texas State University campus by the Panhandle Pen Women, it was decided Tuesday.

The women, meeting in Canyon for a day-long session, decided to set up the conference for anyone who wishes to participate. WTSU will co-host the conference.

Possibly the conference will be two to three days and will include lectures by recognized writers.

Mrs. Pauline Robertson, president, said during morning workshops Tuesday works by Anita Low of Canyon, Pauline Grey of Dodge City, Kan., and Geneva Berry of Canyon were read and critiqued.

During a brief business session, the pen women were told of the annual short story contest deadline on June 1. The contest is open to anyone but prizes will be awarded to members of the pen women. Fee for entering is $2.50. Entries should be mailed to Julia VanBebber at Box 1379 Pampa, Tex., 79065.

A luncheon for the women Tuesday was sponsored by Troy Martin of The Canyon News.

Beef Recipe Wins Prize

Billie Willman of 905 8th Ave., has been chosen an area winner in the annual Texas Grain-Fed Beef Cook-Off, Agriculture Commissioner John C. White has announced.

The winning recipe was for Brewer's Beef with Surprise Noodles. Willman is among the 24 area winners who will compete in the Beef Cook-Off finals in Austin May 19. Contestants will prepare their recipes and the dishes will be judged on the basis of taste, appearance, and originality.

For their recipes, the area winners will receive $50 each and an all-expense-paid trip to Austin for the finals. There the top winner will be awarded $500. Winners in three categories of beef will each receive $200.

Judges will be home economists and food editors from major newspapers. The contest is sponsored annually by the Texas Department of Agriculture, Texas Cattle Feeders Association, Texas and Southwest Cattle Raisers, Texas Grain Sorghum Board, and the Texas Cow-Belles.

Willman's recipe will be included in a cookbook of the 24 winning dishes, Commissioner White stated.

The Grain-Fed Beef Cook-Off is part of the year-round promotion of Texas Agricultural Products (TAP). This marketing program is a cooperative effort of the Texas Department of Agriculture and various commodity groups.

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department is planning to proceed with the development of the proposed highway improvements on U.S. Highway 60 and 87 from the Intersection of U.S. 60 and State Highway 217, East and North to Buffalo Stadium Road. Since the Federal Highway Administration approved the route and design proposed for this project, the Highway Department will begin work on the next phase of engineering necessary for the development of this project.

The proposed improvement will be the construction of grade-separated interchanges at the intersection of 15th Street and U.S. Highway 60, and at the intersection of Hunsley Road and U.S. Highway 60 and 87. A limited amount of additional right of way will be required. There will be no families displaced and only one building will be displaced.

Maps, drawings showing geometric design, environmental studies and all other available data concerning the development of this project may be inspected and copied at the Resident Engineer's Office at P.O. Box 698, Canyon, Texas 79015, Telephone: 655-4401.

Danger. . .

dug for waste.

An official with the Texas Water Quality Board has also visited with county commissioners about the bore hole situation in the county.

Dr. Bob Winn, hydrologist at West Texas State University, told commissioners during a recent meeting that the drilling of bore holes can be dangerous and can cause contamination of water systems.

Commissioners are particularly concerned with the danger to water supplies in mobile home parks in the county.

Winn has cited several mobile home areas where bore hole sewage systems are placed within just a few feet of water wells.

Commissioners have asked Dr. G. Mason Kahn of the Amarillo bi-city-county health unit in Amarillo to meet with them Monday to continue discussions of the problem.

In addition, Winn is to meet with representatives of area drilling companies to formulate rules the drillers can use to police their industry in the drilling of bore holes in the county.

Winn said the meeting is set for later this week.

P-TA. . .

its students.

"We got a lot of calls during the past two days," she said Wednesday. "They said they were unable to attend the meeting but wanted to join."

The group's president said that several conflicting meetings and events kept the Monday night attendance down. "By next fall it should be great," Mrs. Carlisle said of the expected future of the organization.

The group has already advanced several proposals in regard to how the parent-teacher organization can help in school projects.

Tax . . .

Texas passed the constitutional amendment last November which calls for the exemption, since many communities around Canyon are granting it and since there seems to be vocal local support for it.

He said it is the general feeling of the city commission to grant the exemption.

School Supt. Jerry Jacobs said it would probably be little trouble for the computer firm which handles the joint city-school tax rolls to program the rolls so the city could give the exemption while the school district remained.

Tax assessor-collector Conway Kuykendall said he will talk with the computer firm president about that possibility and will arrange a meeting with him for school and city officials within two to three weeks.

Wheat . . .

reported.

"We don't know what effect the mildew will have in this area," the area Extension specialist said, "but it has been serious in other wheat producing areas in years past."

He emphasized that growers can do little at this point to slow the spread of the diseases.

"In the case of the mosaic virus," he pointed out, "the earliness of the infection determines the severity of the losses. Control measures such as destruction of volunteer wheat and late planting are best for prevention the next crop year.

"Wheat streak mosaic has caused serious economic losses to Panhandle area wheat farmers since 1962," he recalled. "As high as 50 per cent of the seeded wheat acreage was either lost or damaged in some counties during several years since that time."

Berry listed the symptoms of the disease as retarded growth and yellow streaking and mottling on plant leaves. The stunting persists through maturing stages, and the yellow leaves tend to turn brownish and die.

Losses in yield could range up to 100 per cent, he said. Plants that become infected in the early spring will develop leaf symptoms, but yield loss will be lighter than on those early-seeded fall-infected plants. Growers have favored early seeding for winter grazing purposes. Generally, if seed is planted after the first frost it will escape heavy mosaic damage, he advised.

Rust represents a potential threat as great as the mosaic virus, Berry reported. Although it exists in traces, the rust is widespread. With the right kind of moisture, the rust spores which have been spread by the wind will germinate, causing new infection on other plants. Again, the only control step that can be taken, he said, is one of prevention. Planting of resistant wheat varieties is the most important practice.

Any one of the three diseases have the potential of wiping out an entire field, the pathologist warned. Only time will determine the extent of loss that producers will suffer.

This means, he added, that growers will need to take extreme precaution in their plans for wheat planting next year if they are to avoid heavy losses.

Silo. . .

fact the cause of the damages to plaintiff . . ."

The defendant acting through its agents was negligent, the suit alleges, in several respects: in failing to tighten the steel bands girding the silo, in failing to properly plaster or coat the walls of the silo, and in failing to use ordinary care in the construction of the silo.

Gerald is represented in the action by the law firms of Merchant, Barfield & Poff of Amarillo and Lair, Brown and Reeves of Canyon.

Faculty. . .

termination due to the stringent budget for the university.

The budget figure is based on a complicated formula which directly relates to student enrollment.

University enrollment has steadily declined since a peak in 1970. This year's enrollment was just over 6500 students.

Jaycees. . .

which means it ranks in the top 10 per cent in the state.

New officers recently elected for the Jaycees are Venhaus, president; Dick Foster, first vice president; George Tirey, second vice president; C.R. Wesley, secretary; Dean Bryan, treasurer; and Gene Shipman, Bill Whitlow and Rahlfs as directors.

Lab Bill Going To Texas Senate

A Texas Senate committee was expected Wednesday to get a bill passed by the House Tuesday that would create a $950,000 veterinary diagnostic laboratory at West Texas State University.

The bill, sponsored in the House by Rep. Bryan Poff of Amarillo, passed the House by voice vote and without debate.

Poff, whose bill reportedly was supported by various livestock organizations from throughout the state, said the measure was not included in the state money legislation and would therefore come second to the appropriations legislation.

The bill, if finally approved, would instruct the Texas A&M board of regents to establish the laboratory as a part of that university's Veterinary School. It would be located at WTSU as a branch of A&M.

Funds to build and operate the laboratory are included in the bill.

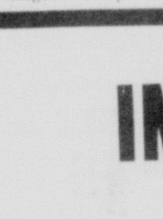
Ken Henry Named All-Around Cowboy At Junior Rodeo - JC's And JC-Ettes Sweep Honors

By MARY NEAL HENRY

"TO BE CONTINUED" should have been the way I finished last week's column. I didn't get through, I just quit.

THE BEEF MOBILE was in Happy on Tuesday and 293 registered for the free beef cuts. The Eugene Jackson family and Loraine and Don Foster won these. I heard over KGNC radio, who helped sponsor the beef mobile, that there is only one of these standing rib roasts per cow, sometimes two.

So that makes a very nice cut of beef all you people won. Joyce Wheat was chairman of this project, but lots of Happy people worked and it was fun.



HAPPY COWBELLES MET on Wednesday of last week with Judy Thompson. Vivian Wood called the meeting to order and welcomed our seven new members since last meeting. Reports were given on the Beef Mobile by Joyce Wheat, on the Meat Appreciation Day by Willie Butler, the State Convention by Billie Pearson (helped by all those who attended); and "Beef for Father's Day" by Othella McGehee.

WILLIE AND JOHN Butler donated the beef cuts that were given away at the CowBelle Booth on Meat Appreciation Day. Willie thought the project a remarkable success even though they served the dignitaries for the occasion the biggest plate of beans, onions and apricots ever served.

BEEF FOR FATHER'S Day is not a new project. It is approximately 20 years old. Since Texas has just organized CowBelles, Texas is just now becoming acquainted with this custom. Happy will present a cut of beef to its mayor. Other beef promotions projects are in planning stages. Othella read a quote concerning the beef boycott which said, "Don't express yourself in anger. Accept the ignorance of the people and educate them." I feel this is good advice.

JOAN ODOM PRESENTED a program on "Beef and Its Origin." Beef has come a long way from the longhorn steer of pioneer days to the well marbled tender beef that comes from today's feeding pens.

HAPPY COWBELLES VOTED to pay the president's, Vivian Woods, state convention expenses. Vivian graciously accepted and donated this money back to the CowBelle treasury.

JUDY THOMPSON AND Pat Hargrave served rolls and coffee and cokes to Mary Jane Miller, Skip Simons, Joyce Wheat, Mattie Ruth Robinson, Willa Elliott, Bernice Hamblen, Othella McGehee, Leon McFarland, Modena Rahlfs, Willie Butler, LaNelle Todd, Vivian Woods, Vera Eubanks, Joan Odom, Eron Jennings, Nora Taylor, Helen Bryan, Ruby Vise, Delores Wilhelm, Doll Edmonds, Linda McDonald, Dorris Foster, Billie Pearson, Betty Tipps, Joy Bryan, Jo Hand, Princess Gruben and myself.

HOT DOG PARTY and Magic Show on Friday, May 18, 1973, at 6:30 p.m. Bring your family and friends to the Revival Service at 8:00 every night, May 13-20. That's what the ticket says. The youth are having hot dog supper on Friday evening. After the Saturday Service, there will be homemade ice cream for the intermediates and young people. Phil and Andy from WT will be with us on Saturday night.

THE NOON LUNCHEON Service is every day at noon, Saturday, too, 12 to 1. Thursday night is Good Neighbor Night. Bring your neighbor and enjoy supper in Fellowship Hall and the revival service at 8:00 p.m. Sunday morning, Sunday school is 9:45 (and I'm looking for everyone of you 7th, 8th, and 9th grade students) and church is 11 o'clock. Sunday evening services will be dismissed for the Baccalaureate Services.

ALL THE SENIORS of 1973 will be recognized in the services of the First Baptist Church on Sunday morning. (Others may do this also. I wish that you'd call and tell me.)

TOM HENRY WAS presented a gift certificate from the Happy Rodeo Association at the Sunday afternoon performance of the Jr. Rodeo. C. R. Wesley presented the certificate for Tom's five years of service as president of the club.

KEN HENRY WAS the All-Round Cowboy at the Happy Junior Rodeo. Teresa Langston of Plainview was the All-Round Cowgirl.

DENNIS HOWELL OF Canyon won the bareback bronc riding; Ken Henry won 2nd, and Hoyt Turner of Canyon and Donnie Richardson tied for 3rd.

STEVE COLE WON the ribbon roping; George Inloe, 2nd; and Bart Thorenson of Gruver, 3rd.

JIM HAND WON the chute dogging; Gerald Berkenfield of Nazareth, 2nd; Freddy Briscoe, 3rd; and Chris Pearson, 4th.

JAY BOREN OF Hereford won the bull riding; Ted Eikey also of Hereford, 2nd; and Dennis Howell of Canyon, 3rd.

KEN HENRY WON the tie down calf roping; Bill Pearson, 2nd, and Jr. Jackson of Gruver, 3rd.

BILL BLASINGAME AND Thornton Monroe of Hereford won the team roping; Bill Blasingame and J. T. Henry won 3rd.

EDDIE JOE PEARSON won Pole Bending for boys 13-15; Mike Shipp of Hereford won 2nd and Ivan Thompson of Amarillo won 3rd.

GUY WALT VIA won boys break-away roping; Eddie Joe Pearson won 2nd and Ivan Thompson won 3rd.

JACKIE BUSBY OF Boys Ranch won first in the steer riding; Richard Esqued of Hereford won 2nd; and Ivan Thompson won 3rd.

IN THE GIRLS division, 13-19, Teresa Langston of Plainview won 1st in the barrel racing; Connie Davis of Canyon, 2nd; and Debbie Magness, 3rd.

VALERIE TIPPS WON the steer riding; Candy Thorenson of Gruver won 2nd, and Cheryl Thompson of Stinnett won 3rd.

SHERRY STARKEY AND Valerie Tipps tied for first and second in the flag race and Glenn Thompson won 3rd.

TERESA LANGSTON OF Plainview won the pole bending; Sherry Johnston of Lockney won 2nd; and Glenn Thompson of Stinnett won 3rd.

JAY MCCARLEY WON the flag race in the division of boys and girls under 12. Jay also won 3rd in the barrel race. Kelly Mayo of Panhandle won first in the pole bending, first in the barrel race, and 2nd in the flag race. Emily Simpson of Tulia won 3rd in the pole bending and 2nd in the steer riding, Chris Langston of Plainview won 3rd in the flag race and 2nd in the pole bending and barrel racing. Danny Shae from Claude won the steer riding and Charlie Alexander of Amarillo won 3rd.

MRS. HOBART MCMANIGAL of Happy honored her husband, Hobart, with a birthday steak supper and "42" party Saturday evening. Her daughter, Jean Rowell, and granddaughter, Jean Ann Rowell, of Tulia assisted Ana Mae in serving the guests; Glen Dowlen, Vernon Harman, Boone McClure and Conway Kuykendall of Canyon; T. L. Fore, Fowler E. McDaniel, John Brown, H. L. Rowell, and John Rowell all of Tulia; and Morlan McManigal, Ernest White, C. H. Rahlfs, Bob Francy, Dick Railsback, Dee Taylor, John F. Toles, John Butler and Hobart McManigal all of Happy.

SHERRY STARKEY WON the All-Round Cowgirl at the Silverton Junior Rodeo last weekend and a saddle for all her efforts. Sherry won 2nd in goat tying, 3rd in pole bending and 4th in barrel racing. Ken Henry won the bronc riding and a buckle. Mark Hargrave won 3rd in chute dogging and a buckle. Valerie Tipps won 4th in the flag race.

THE UNION-SALEM Home Demonstration Club met with Judy Thompson last week. She served cake, coffee and soft drinks to Betty Womack, Genevie Nobly, Pearl Bishop, Jean Fowler, Linda McDonald, Billie Pearson, Betty Tipps, Carol King, Mary McCaslin, and guest, Maurine Allison. The club will be hostess to the Senior Citizen Luncheon this week.

HAPPY JAYCEES AND Happy Jaycee-Ettes came home from the State Convention with more awards than they could carry. Lloyd Rahlfs, Dottie and Dick Foster and Kaye and Vincent Venhaus attended the convention.

HAPPY JAYCEES WON the Henry Giessenbier Memorial Trophy of Division I for being the Outstanding Club in the State of Texas. Jaycees won 12 first places. For each one of these, the club received a trophy and the chairman received a framed certificate and a Texas Jake Tie Clasp. Ronnie Johnson received two first place awards, one for Membership Retention and Activation and one for publications. Dean Bryan received a first in membership recruitment. Duane Stubblefield won a first in Human Relations. Norman Freeman won two first place awards, one in Inter Club Relations and in Wives Recognition. Lloyd Venhaus won a first in Drug Abuse. Gene Shipman won in Senior Citizens. Dick Foster won in Inter City Relations. George Tirey won three first place awards, one in Governmental Involvement; one in Youth Assistance and one in Crime and Corrections. Vincent Venhaus won a third place certificate for Ways and Means.

HAPPY JAYCEES WON a trophy for First in External Programming and a trophy for second in Internal Programming. Happy Chapter is a Blue Chip Chapter and received a plaque and each Jaycee will receive a blue chip pin. They also received a huge trophy for the Holiday Rest Stop. Randy Johnson was chairman of that project. And we saved the best until last.

LLOYD RAHLFS RECEIVED a Jake for being the Outstanding Jaycee President in the State of Texas, Division I. Congratulations, Lloyd. Lloyd does deserve it. He has worked long hours and performed the labor that put the Jaycees on top. He has had lots of help, but Lloyd has always been there with the encouragement that everyone needed.

RONNIE JOHNSON WON Outstanding Secretary of the State of Texas, Division I. Congratulations, Ronnie!

VINCENT VENHAUS WON Outstanding Treasurer of the State of Texas, Division I. Congratulations, Vincent!

I'D LOVE TO have been at those award banquets. All of this district sitting together were cheering the Happy. Yes! Happy Jaycees really put Happy on the map in the State of Texas last weekend.

HAPPY JAYCEE-ETTES helped them. They have only three categories that they enter in scrapbook competition and they won first in all three of them: first in "Aide to Jaycees," first in "Civic," and first in "Other Jaycee-Ette Activities." Happy Jaycee-Ettes won Outstanding Club in the State of Texas, Division I. In Jaycee-Ettes that means for all towns up to 5,000 population.

SARA TIREY WON Outstanding President in the State of Texas. Skip Simons won Outstanding Jaycee-Ette in the State of Texas. Congratulations, both of you !!! (Someone correct me if I'm wrong, but isn't this the first year we've ever won first in everything? We've won enough first to win Outstanding club, but has Happy Jaycee-Ettes ever made a clean sweep like that before?) Proud moment!

NOVALENE TOLES WON recognition as one of the Top Texas Grain Fed Beef Cooks. Novalene entered the third category, Variety Meats, and won a cash prize and a trip to Austin where she will compete in the run-off for the $500 first prize. John will be traveling with Novalene and they plan to visit Linda and Poe and those grandchildren on their return trip. Congratulations, Novalene!

ANNA MAE AND Hobart McManigal attended the Panhandle Plains Historical Society Banquet in Canyon on Thursday evening of last week.

PHYLLIS BRYAN WAS honored with a Pink and Blue Shower for Darren Glen on Saturday afternoon in the beautiful country home of Lou Dougherty. Barbara Danner, Shirley Williams, Pearl Wood, Carolyn Boston, Wyla Miller and Judy Moore were co-hostesses.

THE SERVING TABLE was covered with a white lace cloth and centered with a bouquet of white roses and blue stock. Blue cake decorated with booties, animals, and A B C's, mixed nuts, mints, and green sherbet punch were served to Noma Adair of Muleshoe, Faye Holcomb, Wanda and LaJuana DeVoll, Wanda Wharton, Jane Weatherred, and El Juando Burnett, all of Amarillo, Ruby Lee Stewart, Angis Stewart, Pat Byrd, Marilyn Williamson, Colen Williamson, Mrs. Wylie Byrd, Kylane Miller, Carolyn Stewart, Mary Herndon, Jessie Belfield, Evelyn Williamson, and Mabel Cox all of Tulia; Elaine Peabody of Lubbock; and Mary Jane Miller, Colleen Scheaffer, Jorja Smith, Glenn Jacabsen, Lester Bryan, Jennie Bryan, Pearl Bryan, Gladys Fambro, Evelyn Shipman, Mrs. James Bible, Minnie Bible, Skip Simons and Mary Neal Henry.

BARBARA DANNER WAS honored as Sunnyhill Home Demonstration Club's Woman of the Year" at the "Touring Texas Tasting Tea" given by the Randall County Council at the Community Center in Canyon on Monday. Other club women of Randall County Home Demonstrations Clubs were also honored. Carolyn Dietz was honored as Jowell HD Club's Woman of the Year. Each was presented a corsage and engraved silver serving dish by their own clubs. Attending from the Sunnyhill Club were Barbara Danner, Maurine Allison, Helen Bryan, Mary Jane Miller, Lou Dougherty, Jorja Smith and myself.

MARTA AND BETTY Donnell, Peggy Bell and her boys, and Bob and Darlene Cole served refreshments Monday night at 4-H to about 35. Clay Simons led the club in the pledge to the American Flag; Debbie Parker led the 4-H pledge and Carla Venhaus gave the inspiration. Coming events were discussed. These include a Horse Show in Happy on May 25 and one in Tulia on June 18. The scores of both will be averaged to determine county winners who will be competing in district. District Horse Show is June 25 in Post.

THERE WILL BE a 4-H record book clinic by Ed Garnett on May 24 for adults only. May 30 there will be a council meeting at 8 p.m. and all senior members are asked to be present.

TRACTOR DRIVING SCHOOL will be held on May 29, 30, and 31, at the Vocational Agriculture Shop in Tulia for boys 14 and 15 years of age. This is sponsored by Swisher County Extension agents, and Vocational Agriculture teachers in Happy and Tulia. Any interested boys contact Ken Cook, Ernest Kiker or Lee Moore.

FRIDAY MORNING, MAY 18, at 9:30 a.m., the Sunnyhill Home Demonstration Club will meet with Mary Jane Miller for the purpose of installing the officers for 1973-74. See ya there!

JOE DOWELL BID farewell to the Baptists on Sunday. But Joe says, "God willing, I'll return this fall." We hope so.

EULA HAYES OF Amarillo was in the Sunday evening service with Bertie Culp.

JEANNE JOHNSON PINNED corsages on mothers recognized in the Baptist Church service on Sunday. Mettie Cox, ninety, was recognized as the oldest mother present. Willa Jane McManigal was the youngest and Billie Pearson had the most children (4) in the service.

MOTHER SPENT THE weekend with us. That made a nice Mothers Day. Hope all of you had a happy one!

MRS. HAZEL THOMPSON of Stinnett spent the weekend with Judy and Roy Thompson and their Roy Dee and Jo Beth.

WALTER STUBBLEFIELD WAS named FFA president of Area I, and Albert Shoenberger was awarded an electrification award at the FFA meeting Saturday in Amarillo.

DR. GLEN ROBINSON, Happy's doctor for 34 years, has announced his retirement. During that time, he was mayor of Happy for 12 years, named Doctor of the Year in 1962, named General Practicioner of the Year by the Texas Osteopathic Physicians and surgeons, served as State President of District I of the Association of Texas Osteopath Physicians and surgeons. He was Lion Boss in 1950 and is still a member of that organization. Dr. Robinson served Happy School as athletic Physician.

"DOC" SAYS THAT his most coveted award was the "Citizen of the Year" award presented him in 1962 by the Happy Jaycees. He felt that award came from within the town. Last November, Happy friends honored Doc with a birthday party and money tree. The people of Happy will miss Dr. Robinson.

WAYSIDE MEMORIAL DAY program will be on Sunday, May 27, this year. Bring your basket lunch. Sunday was chosen in hope that more people would be able to attend. A work day, Saturday, May 26, has been chosen to work in the cemetery.

See ya!

Palisades Palaver

HD Club Gathers For Shower, Lesson, And Exchange

By MILDRED TURNER

THE PALISADES HOME Demonstration Club met with me on Friday, May 11, at 10:00 o'clock. We gave Beverly Strecker a surprise Pink and Blue Shower.

SEVERAL BROUGHT PLANTS they wished to share. Estelle and Valorie have mint. Others have iris to share or exchange. I have some small ground coverers and ferns. I've had a few calls for Bird House Seeds. Still have a few seeds left.

WHILE HAVING OUR sack lunches, we exchanged recipes, diets and views on politics. Later, everyone gathered in the den where Beverly Norman gave a step by step demonstration on how to make macrame hangers for flower pots. There was one simple style which only takes minutes to make. Both styles made are pretty. I dug out some of these "bug away" candles used for outdoor parties and they would be darling in the small hanger. I think everyone got theirs made but me but I have plenty of help around to instruct me.

NELL MOORE MADE a lovely cake, all decorated with baby booties (made of miniature marshmallows) which was served with fresh peach home made ice cream during the afternoon. When Nell said the cake was made from "scratch" made me think of a joke my friend Eliza Beth Rainwater told:

Young bride: Could you tell me where to find scratch?

Grocer: Just what is scratch?

Young bride: I really don't know, but my mother-in-law uses it in just about everything she makes.

AMONG THOSE PRESENT were: Lena Edwards, Reba Guess, Judy Webb, Judy Detten, Carolyn Bailey, Beverly Strecker, Marcella Carlile, June Hooker, Margie Carlile, Beverly Norman and Becky Hall.

I WANTED TO show off little Dana in her pink ruffles but she slept most of the time. Her mother said she showed off enough while being dressed to go to Nan's.

MR. AND MRS. Roy Hunnicutt, Mrs. Paul McDonald and Mrs. Dale Mitchell attended the races in Raton over the weekend.

SOME OF THE young people taking Drivers' Education this year are Tony Mitchell, Kenny Seitz, Karen Carlile, Sherry Ramsdale and Janet Turner. I am sure there are others I have not heard about. Be patient with these young people as they learn by practice. I heard of a fellow (couldn't see too well!) who ran over another fellow thinking he was a speck on the windshield.

ONNIE ATKERSON'S DAD was released from the hospital Monday with a good report on his eye surgery.

HAVE NOT HAD a report on how the Horne's grandson's hand is doing. Some have asked.

MAMA TURNER HAD minor surgery last Thursday and isn't doing too well. Her sons Garland, Bennie and Leon (from Childress) visited her on Mother's Day.

I HAD A lovely Motherly Day with gifts, love, daughters and family visiting. One daughter, who was not home will be in this week for a visit. One daughter took us out to eat at Cross Timbers.

MONDAY I MET Mrs. L. W. Stambaugh, very chic and attractive, Beverly's mother, who is currently visiting the Streckers.

GREG STRECKER HAS been home on leave visiting his family, doing some boating and fishing with Allen. He and some friends went "Camping Out" at Lake Meredith. "If they caught fish, they were eaten before they came home," Beverly said.

THE TOUR OF Texas Tasting Tea was a great success. The center pieces included lovely cut flowers. Each table was laden with luscious food, attractively served. The ladies of the year, chosen by each club, were glowing in their corsages, smiles, as they got their picture taken. Beverly Norman was our "Lady." We were honored to have Judge Pond and our commissioners among our guests, also Taylor Norman was a guest of the Palisades ladies. We took "turns" tasting with him. I enjoyed a brief visit with a cousin, Paul Lindsey, also a lot of the ladies in other clubs I had not seen in ages. We all ate and chatted until we had our eyes and tummies bulging!

ONCE I WAS almost in shock when I looked over and saw poor Nell on her knees (I thought, Oh, No! Who can help her up), but on closer examination she was only copying a recipe. The recipe accompanied each dish, so if you especially wanted the recipe you simply copied it off right there! Nell said she knew she had gained back the five pounds she had lost the week before, that she had gained the week before, that she had lost the week before she had gained the week before, that she lost last week.

THE GIRDLE BUSINESS should perk up . . . some I know were bought fifteen pounds ago . . . sure were a lot of ladies there . . . and lots of good food. It was sure fun.

I KNOW THESE are busy days but let us not get too busy to pause for mini vacations (I call them). Take time to notice the birds song, flowers, visit a shut-in, read, meditate, listen to music. Sometimes I take a twenty minute vacation on the creek bank just watching the birds, frogs or fish. Keep a scratch pad ready and share some of your thoughts, like Mr. Frog:

MR. FROG

Mr. Froggie sitting in the afternoon sun,
You have your own pool, aren't you having fun?
Going for a swim or just sitting there blinking;
You seem to have the time to do a lot of thinking.
Do you dream of a larger pond or the deep blue sea,
Or going into the city on a shopping spree?
Do you long for a coat of psychedelic colors bold?
Do you think your greens and browns are out of style or old?

Do you make a budget, watch stock market on decline?
Fret about the elections, or ever pay a fine?
Does your daddy get drunk and take another wife?
Do you Froggies ever get on dope and take another's life?

Do you have "Teen Problems" or a "generation gap"?
Or do you live as a family where love makes up the lack?
Did your uncle really go "a courting a lady mouse?"
I heard they got married and lived in a tree house!

You look so very happy, sitting there upon your log.
Do you worry about pollution or the awful smog?
Do you ever go ice skating or hold olympic score . . .
And see who's the fastest swimmer to reach the other shore?

Well . . . enjoyed the visit, the sun is sinking in the west,
Crickets gathering for the concert, birds are going to their nest;
God's on His throne, little night folks start their song.
I love your bass voice as you croak, "All is well," so long!

Consultant Visits WT

A consultant in nursing education for the National League for Nursing made a two-day visit with the faculty of the department of nursing at West Texas State University earlier this week.

Dr. Helen Yura visited the WTSU department to work with faculty in evaluating the nursing curriculum at the university and to assist faculty in meeting the requirements of the National League for Nursing accreditation in 1975 when the program becomes eligible to apply for accreditation.

Dr. Yura is assistant director of the league's department of baccalaureate and higher degree programs. She previously headed the department of nursing at St. Joseph College, Emmitsburg, Md.

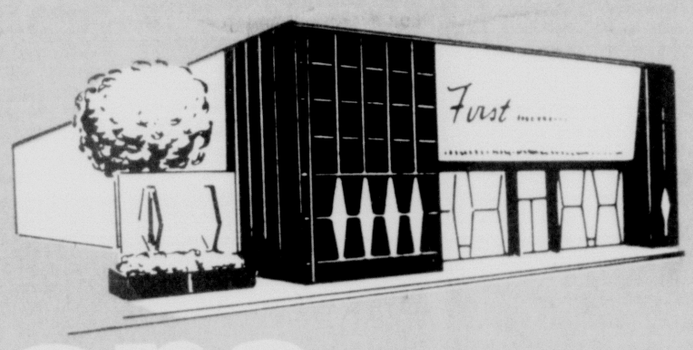
your future home starts here. right now.



Are you ready for your new home? Or is it part of the future? Either way, First Federal of Amarillo is the place to begin.

If the home of your dreams is some time away, you should be saving for the down payment in a First Federal savings account. There your money will grow with most generous interest, compounded daily and paid or credited quarterly.

When you've found the house to buy or build, come to one of First Federal's richly experienced home loan officers. You'll get the best rate of interest, and a home loan tailored to your needs. A First Federal conventional home loan will allow you to pay ahead, any amount, without penalty, with up to 30 years to repay. We offer FHA and VA loans, too.

First Federal is the place to build your future. And right now is the time.
